How Airports Work
Going behind the scenes at the airport

Where does luggage go after check in? What happens in the control tower? How do aeroplanes actually take off? From a peek inside the maintenance hangar to the hustle and bustle of departures, this interactive, lift-the-flaps book reveals the hidden secrets of the airport, ensuring kids and parents never look at their holidays in the same way again.

• The follow-up to our popular How Cities Work
• Packed full of facts and charming illustrations
• Covers the earliest airports to the modern day
Ancient Wonders: Then & Now

Lift the flaps and step back in time

From the Roman Colosseum and Pyramids of Giza, to Machu Picchu and Stonehenge, we’ve picked some of the world’s greatest man-made structures and reveal how they were built, as well as their huge influence on modern life and tourism. By opening the gatefolds and lifting the flaps, kids will travel back in time to discover why these wonders were constructed and their role in ancient life.

• An interactive look at how people used to live
• Introduces world history in a fun, engaging way
• Beautifully illustrated and packed with facts
