Ancient Wonders: Then & Now

Lift the flaps and step back in time

From the Roman Colosseum and Pyramids of Giza, to Machu Picchu and Stonehenge, we’ve picked some of the world’s greatest man-made structures and reveal how they were built, as well as their huge influence on modern life and tourism. By opening the gatefolds and lifting the flaps, kids will travel back in time to discover why these wonders were constructed and their role in ancient life.

• An interactive look at how people used to live
• Introduces world history in a fun, engaging way
• Beautifully illustrated and packed with facts
The Daredevil's Guide to Dangerous Places

Hazard hunters Eddie and Junko are exploring some of the most extreme environments on Earth – places no-one should really venture! But don’t worry, they have their dangermobile bristling with gadgets to tackle any eventuality. Kids will discover the fires of erupting Stromboli, the fastest winds on Earth at Mt Washington, Brazil’s venomous Snake Island, and much more.

• A tongue-in-cheek and fascinating adventure
• Amazing facts about each nerve-racking place
• Packed with a mix of illustrations and photos
